THE BIGOT IS KENNEDY

The Elba Clipper said editorially July 28, this year: "Look at the names in the forefront of Kennedy support: Tammy Boss, Carmine DeSapio, New York Mayor Wagner, Governor Lawrence of Pennsylvania, Governor DiSalle of Ohio, Mayor Daley of Chicago. Catholics all, and each of them at the head of Democratic machines predominantly Catholic."

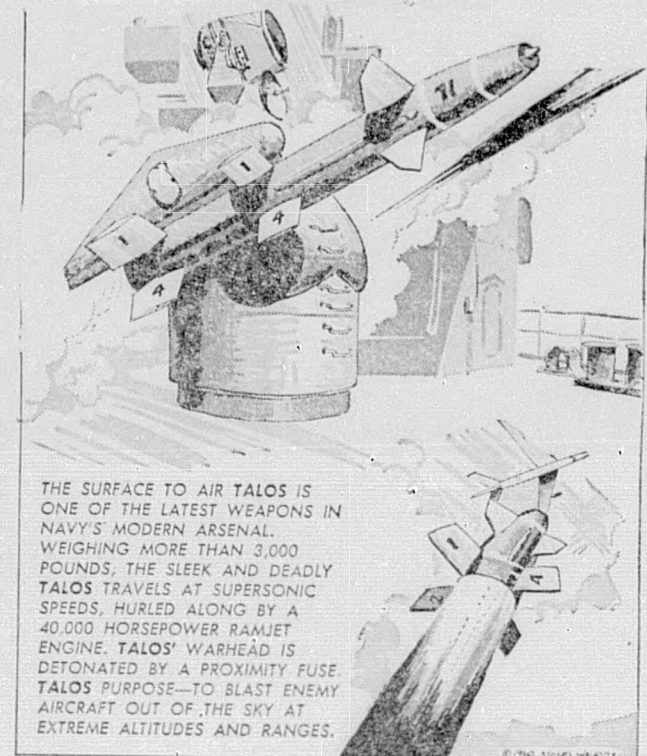

A full month later the Arizona Republic, Phoenix, Ariz., one of the largest daily newspapers in the Southwest, said:

"Why won't Jack Kennedy be frank enough to admit publicly that it was his Catholic friends who gave him the nomination? The five big states were for Kennedy, Mayor Wagner, Governor Lawrence, Gov. Mike DiSalle, Mayor Daley, Gov. Pat Brown of California. The delegations from these five states, led by Catholics, put over Kennedy's nomination."

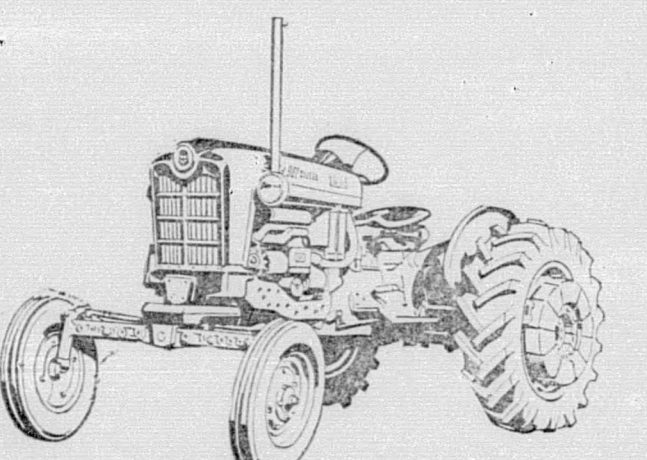

"The truth is, Jack Kennedy has deliberately set out to make a martyr of himself on the Catholic issue in order to get sympathy and to glorify himself as a candidate."

"Jack Kennedy has been shouting and crying persecution, but if anybody else says anything about his religion, then that is 'bigotry'."

SOIL NEWS

By T. C. Seir and Billy Taylor

The following were assisted with a soil and water conservation plan during August: H. E. Wilson, Artist Smith, M. J. Lee, F. P. Clark, W. H. Rhodes, and Hinton Stewart. The Artist Smith and M. J. Lee farms were recently planted to slash pine. Fire lanes will be cut around and through these trees each year as a guard against fire losses. These trees will grow to pulpwood size in twelve to fourteen years. Selective thinning at this time and at six year intervals will provide greater returns as the years pass.

Paralleled terraces and waterways were installed on the F. F. Clark farm last year. Mr. Rasco, operator, states that the field works much better. Waterways are now fully covered in Bahia grass and under control. Mr. Rasco plans pasture improvement by clearing low value hardwood and planting to Bahia grass.

W. H. Rhodes has planted pasture on some of his mired rolling land. While going over the farm Mr. Rhodes pointed out additional land that he plans to plant to pasture grass. We agree with Mr. Rhodes since much of this marginal land is planted to corn. It takes about thirty bushels of corn per acre to break even. Forty bushels of corn per acre may show a small cash return. Compare income from an acre of good Bahia to an acre of corn. Mr. Linton Stewart is planning for improved pastures on a majority of this land.

ble topped with the bride bouquet of white featured carnations centered with a white orchid showered with tiny white satin streamers and lilies of the valley.

Mrs. Robert H. Sjeng, of Tuscaloosa, served her sister as Matron of Honor. She wore a light blue cotton dress with a scooped neck line and a detachable blue chiffon over skirt belted at the waistline and finished with a soft bow of matching material. She wore a slip fastened over vest prongs and a soft bow at the center with matching veil. Her bouquet was full of lilies, tied with a wide satin bow.

The bridegroom's cousin, Jimmy Yelverton of Enterprise, served as best man. Ushers were J. L. Weeks of Ozark; and Johnny Andrews of Enterprise, cousin of the groom.

A reception followed the ceremony with the bride's parents as hosts. The bride's table was covered with a hard crocheted cloth over a pink foundation. It held the three-tiered wedding cake encircled at the base with a lace and satin ruffle. The cake was embossed in spun sugar roses with pale green leaves and topped with a miniature bride couple standing beneath an arch of lilies of the valley and tied at the center with a satin bow.

The crystal punch service flanked with summer flowers and white lilies in crystal candelabra completed the table appointment.

Mrs. N. D. Pinckard, Aunt of the bride, cut and served the cake. Other servers were Misses Mary Nan Spurlin and Natalie Jones of Elba, Deborah Perdue, Chasity Parker, and Donna McCormick. Janice Parker registered the guests which were greeted by Mrs. J. L. Weeks.

AND 30 PER CENT OF YOUR
BUSINESS LEAVES WITH
THEM!

Hard to believe, but true! If yours is an average business, you LOSE 30% of your customers each year. If you don't believe it, look through last year's accounts and see how many are no longer active.

WHY?

DO YOU LOSE THEM?

Through death, moving to another community or through the efforts of hard-driving competitors a variety of reasons, some of them beyond your control.

At the same time, there's a normal business increase
Of Only 4% Each Year.

That leaves you facing a 26% handicap each year—a handicap you must overcome if your business is to remain healthy and profitable.

What Do You Do About It?

The answer lies in better merchandising, better planning, more vigorous promotion of fast-selling goods and service.

The surest, most profitable method of sales promotion is consistent, timely newspaper advertising.

ADVERTISING IS THE LIFE OF TRADE

(The Above reprinted from The Montgomery Advertiser)

And advertising is news. Newspaper readers want advertising because it's news. They want to read about the latest values. Surveys have shown that, among the various features in a newspaper, advertising ranks first in interest with the women and second with the men.

Nothing sells a city to the surrounding area like a newspaper. Nothing sells a merchant's products like a newspaper.

Precision in a Pipe Organ

You know what precision it requires to build a pipe organ, or an engine, or a watch. The same exactness goes into the construction of a pipe organ.

But the men who make pipe organs, like all others who build, have a feeling for the USE of their product.

An organ will lead hundreds in their worship of God. It will support a talented choir in the rendition of a sacred cantata. Or it will blend with a host of untrained voices to raise a stirring hymn to God. It will sing softly while Christians commune, or thunder majestically a great recital.

And yet this valuable organ whose creation requires such skill and precision is secondary in the life of the Church. It is simply an instrument, like this weekly advertisement, to help the Church fulfill its Mission. That Mission is to lead you, and your family, and your world, to the Lord.

When the organ calls men to worship — be there!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest force for good in the world. It is the only institution that has a moral and spiritual authority. It is the only institution that has a moral and spiritual authority. It is the only institution that has a moral and spiritual authority.
